- If you completed Goal 11 in Silver, you can re-use the 2 emails and messages you submitted there, and provide 2 additional emails and messages for a total of 4 each.*

Anything marked 'Verified by the ART Team' are either periodically checked and updated on the tracker, or done after the meeting/event has taken place.

If you've completed one of these goals and it hasn't been updated, you may use the submission form to prompt ART to check it.

You might find that you might be able to claim two goals with the same evidence (like running a wellbeing event and collaborating with another Society). Be savvy and have a look at what you could combine!
