The kitchen is at the heart of any home and here at The Social Kitchen, that's no different. We're pleased to welcome you to the social hub on campus, that's especially for you!

The Social Kitchen is truly unique; designed with you in mind to bring you a space you can enjoy as a break from lectures/work, a meeting place for you and your friends or colleagues, somewhere to get great food, grab a hot drink to go, or somewhere to go and treat yourself to a glass of wine or a beer when you simply want to sit, chill or put off thinking about your next deadline.

Like all **BCUSU** outlets, we're totally not-for-profit, so every penny you spend in The Social Kitchen, gets ploughed straight back into providing our services and facilities for all our students.
